VACANCY – Designer

Location: Llandybie, Ammanford, SA18 3GY

Hours: 40 hours per week

Duration: Permanent

THE COMPANY: Morgan Marine Ltd is a progressive company and market leader in the design, manufacture & installation of Steel and GRP housings amongst other diverse products. Our Primary client base includes the Utilities and Construction sectors. Morgan Marine Ltd is an ambitious, dynamic, and professional organisation with over 50 years of manufacturing in the Carmarthenshire area. Due to our continued growth, we are looking to strengthen our Design Engineering Team with a Designer.

THE ROLE: Working with internal departments and liaising with clients you will design buildings and features, prepare drawings using AutoCAD, control and manage projects from design to manufacture (so planning and expediting skills would be advantageous).

You may be engaged in projects across the Group. You will be required to train at our offices in Llandybie, to understand the product and systems. You may also be required to travel within the UK (occasionally internationally) as and when required to attend site visits, carry out site surveys and participate in project meetings.

REQUIRED SKILLS: The ideal candidate will preferably hold an HND/Degree in an Engineering related subject with relevant experience in a project-based environment. Applicants should be computer literate with good communication and analytical skills. Experience of working in a manufacturing industry is desirable.

THE PACKAGE: £22,500 increasing to £23,000 on completion of probation period. We also offer a competitive benefits package including 31 days holiday rising to 33, Life insurance, Pension, subsidised on site gym membership, Employee Assistance Programme, referral scheme and free parking.

Please apply completing the application form stating which role you are applying for with a copy of your CV to:

E-mail: careers@morgan-marine.com
